Student Association Ideation

Admin Section

1. Task Section

- Assign tasks on weekly or monthly basis.
- Distribute weekly or monthly tasks into daily tasks to members. (Members will not see weekly or monthly tasks but just the task of the day)
- Tasks can be assigned for each category and card members.
- Individual tasks can also be assigned to a specific member.
- Task creation should include Task ID, Card, Category, Description, Specifics (if any), Specific Members assigned (if any) (specific member will open a drop down of all members)

2. Workshop Section

- Initiate a workshop by mentioning date, time, location and agenda.
- Add minutes of previous workshop(s).
- Maintain attendance of each workshop.

3. Report Section

- See details of each member.
- See submitted tasks of each member.
- See progress of each member in assigned tasks as a metric
- See progress of each member in workshop being attendance as a metric

4. Approvals Section

- Approve new registrations of members.
 - Approve upgradations or down gradation of category or card of a requested user.
 - Remove users.
-
